lala, lalalala, lala, lalala

I like your smile
I like your vibe
I like your style
But that's not why I love you
And I, I like the way, you're such a star
But that's not why I love you, hey

[bridge]

Do you feel, do you feel me, do you feel what I feel too
Do you need, do you need me, do you need me-e-e

[chorus]

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you, is you
Being you, just you
Yea the reason I love you
Is all that we've been through
And that's why I love you

lala, lalalala, lala, lalala

I like the way you misbehave
When we get wasted
But that's not why I love you
And how you keep your cool when I am complicated
But that's not why I love you, hey

[bridge]

Do you feel, do you feel me, do you feel what I feel too
Do you need, do you need me, do you need me-e-e

[chorus]

You're so beautiful
But that's not why I love you

And I'm not sure you know
That the reason I love you, is you
Being you, just you
Yea the reason I love you
Is all that we've been through
And that's why I love you

Yeaaa

ohhhh, ohhhh

Even though we didn't make it through
I am always here for you
yea-a-a

[chorus]

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you, is you
Being you, just you
Yea the reason I love you
Is all that we've been through
And that's why I love you

la la, la la la la (oh ohhh)
la la, la la la la (that's why I love you)
la la, la la la la (oh ohhh)
la la, la la la la (that's why I love you)
