I got no regret right now (I'm feeling this)
The air is so cold and low (I'm feeling this)
Let me go in his room (I'm feeling this)
I want to take off his clothes (I'm feeling this)
Show me the way to bed (I'm feeling this)
Show me the way you move (I'm feeling this)
Fuck it, it's such a blur (I'm feeling this)
I love all the things you do (I'm feeling this)

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Where do we go from here
Turn all the lights down now
Smiling from ear to ear (I'm feeling this)
Our breathing has got too loud (I'm feeling this)
Show me the bedroom floor (I'm feeling this)
Show me the bathroom mirror (I'm feeling this)
Were taking this way too slow (I'm feeling this)
Take me away from here (I'm feeling this)

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer

Place your hand in mine
I'll leave when I wanna

This place was never the same again
After you came and went
How can you say you meant anything different
To anyone standing alone on the street
With a cigarette on the first night we met

Look to the past and remember your smile
And maybe tonight I can breathe for awhile

I'm not in this scene I think I'm falling asleep
But then all that it means is I'll always be dreaming of
you

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

(Are we alone, do you feel it, so lost and disillusioned)
