I've started to feel something
It's more than friendship
I see you in the school field
I start to trip
I lose the use of speech
Only you have the power to teach
It has to be kept quite
It's not how i am used to feeling
Im a guy kinnda gal

If you haven't figured it out
This is my main shout
To let all my family, friends and fans
Know the truth
This is your proof
I am a gal, gal
I hope you can understand
This is why i formed the band
To let you know
So i could show

The pure infatuation
I feel for girls
Is a different kind of attraction
All i can think about is the affection
I would give them my undervided attention
All i can see is the penertration

There is one special
I feel like the earth moves
This proves
I think I am in love
You remind me of a pure innocent dove
In you my fans i will trust
But then you must
Keep this secret
Or I will regret
Putting my life in your hands

Her body is so perfect
I would worship and protect

I want to glide my finger tips
Accross her delicate lips
Cluch her hips
Keep her in close grips
She is so fine
I want her to be mine

I am about to let go
Like a real pro
Tell you who owns my heart
How from the start
We were never apart

Her name is Gwen Stefani
Mine name is Avril Lavigne

Thankyou for your time
I hope you still remain my fans
I hope you understand
