feat Johnny Rzeznick

(Avril)

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll ever be
And I don't want to go home right now

And all I can taste is this moment
And all I can breathe is your life
'Cause sooner or later it's over
I just don't want to miss you tonight

Chorus(Avril):

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

(Johnny Rzeznick)

And you can't fight the tears that ain't coming
Or the moment of truth in your lies
When everything feels like the movies
(Avril & Johnny Rzeznick)
Yeah you bleed just to know you're alive

Chorus(Avril & Johnny Rzeznick):

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

I just want you to know who I am
I just want you to know who I am
I just want you to know who I am
