

## Avril Lavigne "Just Relax"

Visit "[Just Relax](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I need to chill out throw a party with my friends i can't  
be alone tonight i need to rock out some punk music  
and let my hair lie downn  
I need to just relax you need to just relax so i threw a  
party without my parent permission ohh yeah ill just  
relax even if the cops come chasen us with there guns  
and will just relax even when they say Hey your to  
young to drink were gonna have blast dont give a crap  
about what the law says tonight

woke up in the center of a jail cell ohh man what  
happened last night listen guyus im sorry to say  
nothing you do will matter any way  
so i chilled out too much drank a little too late drank a  
little too fast who cares when your a little shit in high  
school my lifes going way to fast theres no way i can  
relax
