Album: Let Go

Are you aware of what you make me feel, baby  
Right now I feel invisible to you, like I'm not real  
Didn't you feel me lock my arms around you  
Why'd you turn away?  
Here's what I have to say  
I was left to cry there, waiting outside there  
Burning with a lost stare  
That's when I decided

Why should I care  
'Cuz you weren't there when I was scared  
I was so alone  
You, you need to listen  
I'm starting to trip, I'm losing my grip  
And I'm in this thing alone

Am I just some chick you place beside you to take  
somebody's place  
When you turn around can you recognize my face  
You used to love me, you used to hug me  
But that wasn't the case  
Everything wasn't okay  
I was left to cry there, waiting outside there  
Burning with a lost stare  
That's when I decided

Why should I care  
'Cuz you weren't there when I was scared  
I was so alone  
You, you need to listen  
I'm starting to trip, I'm losing my grip  
And I'm in this thing alone

Crying out loud  
I'm crying out loud  
Crying out loud  
I'm crying out loud

Open your eyes

Open up wide  
Why should I care  
'Cuz you weren't there when I was scared  
I was so alone

Why should I care  
'Cuz you weren't there when I was there  
I was so alone  
Why should I care  
If you don't care then I don't care  
We're not going anywhere

Why should I care  
'Cuz you weren't there when I was there  
I was so alone  
Why should I care If you don't care then I don't care
