AVRIL

This the time, this is the vibe
Don't you want to get onto the ride
Come on inside from the outside
The truth will set you free and you will find

PLAIN WHITE T'S:

That there is a love
That won't let you down
This love will never leave you
This love will never let you go

CHORUS

It is time (It is time) for a love revolution (A love
revolution)
It is time (It is time) for a new constitution (A new
constitution)

VANESSA CARLTON:

You are a child of the most high
There is nothing you can't do and that is no lie
You were designed to use your mind
To move what you can't see so don't be blind

Because there is a love
That won't let you down

CHORUS

It is time (baby) for a love revolution (Revolution oh
yeah)
It is time (time baby) for a new constitution (New
constitution oh yeah)

It is time for a love revolution
It is time for a love revolution
It is time for a love revolution
It is time for a love revolution

CHORUS

It is time for a love revolution
It is time for a new constitution

It is time for a love revolution
It is time for a new constitution
It is time for a love revolution
It is time for a new constitution
