Oh Oh, Oh Oh

So much for my happy ending

oh oh, oh oh

So much for my happy ending

Oh Oh, Oh Oh, Ohhhhh

Let's talk this over

It's not like we're dead

Was it something I did?

Was it something you said?

Don't leave me hangin'

In a city so dead

Held up so high

On such a breakable thread (breakable thread)

You were all the things I thought I knew

And I thought we could beeeeeee

(chorus)

You were everything, everything that I wanted

We were meant to be, supposed to be, but we lost it,  
but we lost it

All the memories, so close to me, just fade away

All this time you were pretending

So much for my happy ending

Oh Oh, Oh Oh

So much for my happy ending

Oh Oh, Oh Oh, Ohhhhh

You've got your dumb friends

I know what they say

They tell you I'm difficult

But so are they

But they don't know me

Do they even know you?

All the things you hide from me

All the shit that you do,

All the shit that you do

You were all the things I thought I knew

And I thought we could beeeeeee

(chorus)

You were everything, everything that I wanted,  
everything that I wanted

We were meant to be, supposed to be, but we lost it,  
but we lost it

All the memories, so close to me, just fade away

All this time you were pretending

So much for my happy ending

It's nice to know that you were there

Thanks for acting like you cared

And making me feel like I was the only one

It's nice to know we had it all

Thanks for watching as I fall  
And letting me know we were done  
He was everything, everything that I wanted  
We were meant to be, supposed to be, but we lost it  
All the memories, so close to me, just fade away  
All this time you were pretending  
So much for my happy ending  
You were everything, everything that I wanted  
We were meant to be, supposed to be, but we lost it  
All the memories, so close to me, just fade away  
All this time you were pretending  
So much for my happy ending.  
Oh Oh, Oh Oh  
So much for my happy ending  
oh oh, oh oh  
So much for my happy ending  
Oh Oh, Oh Oh, Ohhhhh Oh Oh, Oh Oh, Ohhhhh
