I wake up in the morning
Put on my face
The one that's gonna get me
Through another day
Doesn't really matter
How I feel inside
This life is like a game sometimes

But then you came around me
The walls just disappeared
Nothing to surround me
And keep me from my fears
I'm unprotected
See how I've opened up, oh
You've made me trust

'Cause I've never felt like this before
I'm naked around you
Does it show?
You see right through me
And I can't hide
I'm naked around you
And it feels so right
Yea, yea

I'm trying to remember
Why I was afraid
To be myself
And let the covers fall away
I guess I never had someone like you
(To help me fit)
To help me fit in my skin

I've never felt like this before
I'm naked around you
Does it show?
You see right through me
And I can't hide
I'm naked around you
And it feels so right

I'm naked around you

Does it show?
Yea
I'm naked
Oh ooh oh
Yea yee yea, yee yea, yee yea baby
Oh, oh
I'm naked around you
Does it show?

I'm so naked around you
And I can't hide
You're gonna, you're gonna see right through
(See right through me and I)
(And I)
You're gonna see right through
(Naked around you)
Oh yea, yea

I'm so naked around you
And I can't hide
You're gonna see right through, baby
