I'm sorry if this hurts you,
but I tried to keep what we had once, I was wrong
it wasn't keeping me awake,
you didn't listen, you didn't listen
you didn't hear me, you didn't hear me
when I said I want more I got no more,
you weren't stealing me away.

It's not enough
it's not enough to give me what it is I want
it's not enough
it's not enough to get me everything I need
And I wish it was
I think its time to give this up.

Oh oh oh oh oh oh oh oh
ohhh
All the memories that we're losing
all the time that I spent with you everyday
I think it's running down the drain
I'm feeling that we're fading
don't make this as hard as you think it would be
it's a lot easier than it seems yeah

It's not enough
it's not enough to get me what it is I want
it's not enough
it's not enough to get me everything I need
and I wish it was
I think its time to give this up.

And I can feel were falling down
slowly slowly
I can see us starting to drown
Can't stop it now
I can see we're burning out
so show me show me
how you gonna turn it around?
because

It's not enough
it's not enough to give me what it is I want

it's not enough
it's not enough to get me everything I need
It's not enough
it's not enough to give me what it is I want
it's not enough its not enough to get me everything I
need
and I wish it was
I think its time to give this up.
It's not enough
it's not enough to give me what it is I want
it's not enough
it's not enough to get me everything I need
It's not enough
it's not enough to give me what it is I want
it's not enough
it's not enough to get me everything I need
