Push

----- to much here lately  
And you're starting to get on my nerves  
this is exactly what happened last time  
and that's not what we deserve  
it's a waste of my time lately  
and I'm running out of words

[bridge]

if it's really meant to be  
then you could find a way to see

[chorus]

maybe you should just shut up  
even when it gets tough  
baby cause this is love

and -----  
it's gonna take the both of us  
baby this is love

baby this is love

Love ..... Love ..... Love

It's really great to be with you  
this is how I (expend) my life  
But I'm capable of taking care of myself  
so if you fuck this up  
things will take a hike  
it's a waste of my time  
shaking it up (going at the search )

[bridge]

if it's really meant to be  
then you could find a way to see

[chorus]

maybe you should just shut up  
even when it gets tough  
baby cause this is love

and -----  
it's gonna take the both of us  
baby this is love

baby this is love

Love ..... Love ..... Love

[voice]

you and me  
we can both start over

just the two of us  
we can get a little closer  
so follow me  
honestly  
and you will see  
[chorus]  
maybe you should just shut up  
even when it gets tough  
baby cause this is love  
and \_\_\_\_\_  
it's gonna take the both of us  
baby this is love  
baby this is love  
Love ..... Love ..... Love  
maybe you should just shut up  
even when it gets tough  
baby cause this is love  
and \_\_\_\_\_  
it's gonna take the both of us  
baby this is love  
baby this is love  
Love ..... Love ..... Love
