You've been my friend as long as I r'member,  
You're the nicest person I know (I know)...

I've stopped and thought about this ('bout this, 'bout  
this)  
But (quietly)...

I think i like you (like you)  
but I'm scared to say  
Scared to say yeah, yeah

I blush everytime you come round for dinner,  
You're just right foor me (for me)...

There's something in my chest i have to tell you (tell  
you, tell you)  
But (quietly)...

i think i like you (like you)  
but I'm scared to say  
Scared oh, oh

I think i like you oh, oh ,oh ,oh  
but I'm scared
