Look at our pasts to see if its  
Really meant to be,  
Tell me the truth tell me  
Why is this going on?  
Bad boys Jealous girls  
In this case it really isn't that,  
You've been talking to me,  
A lil' more than usual,  
Then I just asked,

{chorus}  
See what you've done to me,  
I'm goin' crazy outta my mind,  
Just another day,I'll be fine  
See what you've done to me,  
Is it another fantasy,  
I don't know what this is,  
But,boy.....  
See what you've done to me,  
I'm not joking just tell me  
What have you done to me

I really love you,  
Why can't you see that its true,  
I just wanna know,  
Why do you show up everywhere in my life?  
I'm not no making an offense,  
But,its like you follow me,  
Its no fantasy,  
Its just crazy,  
Its all messed up

{chorus}  
See what you've done to me,  
I'm crazy,crazy for you  
Why won't you see,  
See what you've done to me  
I'm not joking,  
Maybe outta my mind  
But theres one thing I know  
Or can see

See what you've done to me
