when i was  
a boy of 10  
i had a very best friend  
fred was kind  
w good intent  
but just a little different  
oh special fred  
mama dropped him on his head  
now hes not so bright instead  
hes a little bit special  
just a little bit

we'd play tag  
and he'd get hurt  
i'd play soldier  
he'd eat dirt  
i liked math and spelling bees  
fred liked talking to a tree  
oh special fred  
mama dropped him on his head  
now she keeps him in the shed  
cause he's a little bit special

i ran track  
hung out in malls  
fred ran headfirst into walls  
i had girls and lots of clothes  
fred had names for all his toes  
oh special friend  
mama dropped him on his head  
now he thinks he's a piece of bread  
cause he's a little bit special  
just a little bit

one day talking to special fred  
he grabbed a brick and swung at my head  
as he laughed at me  
that's when i knew  
that special fred had just made me special too  
now i laugh as i count bugs  
i give strangers great big hugs

next to me  
fred is fine  
yeah, he's a fuckin eistein  
oh special fred and me  
now we're not right in the head, ya see  
now we're not so bright instead  
we're a little bit special  
just a little bit special  
that bastard fred made me special  
just a little bit  
just a little bit...special
