Take me away
I cannot find a way to describe it
It's there inside
All I do is hide
I wish that it would just go away
What would you do
You do if you knew
What would you do?

All the pain
I thought I knew
All the thoughts lead back to you
Back to what
Was never said
Back and forth
Inside my head
I can't handle this confusion
I'm unable; come and take me away

I feel like I am all alone
All by myself
I need to get around this
My words are cold
I don't want them to hurt you
If I show you
I don't think you'd understand
'Cause no one understands

All the pain
I thought I knew
All the thoughts lead back to you
Back to what was never said
Back and forth inside my head
I can't handle this confusion
I'm unable; come and take me away

I'm going nowhere[on and on and]
I'm getting nowhere[on and on and on]
Take me away
I'm going nowhere[on and off and off and on]
[and off and on]

All the pain I thought I knew
All the thoughts lead back to you
Back to what was never said
Back and forth inside my head
I can't handle this confusion
I'm unable; come and take me away

Take me away
Take me away
Take me away
Take me away
