This is who i really am.  
the girl ive always been  
ive never been that great of a singer  
thats why i sound so bad live.

i dont really know how to play guitar  
i can only strum one chord.  
im not much of a skateboarder  
but i skate when im on camera  
so people can think i skate

chorus  
this is me FO' REAL!  
im not lyin this time.  
this is me FO' REAL!  
im not pretendin' anymore.

I'm not as punk as you think i am  
i only dress like this so people will like me more  
i have findly figured out  
that just dressing hardcore.  
does not make me all punk

Repeat CHORUS

I thought i sung punk, hardcore songs  
but i realized i sing pop.  
i have finally seen the light  
the light bulb has come on in my head.  
i sing love songs, although i hate to admit it

Repeat CHORUS (2X)

I didnt really write my songs  
when i was 16 years old  
although i took all the credit  
there were other people  
who helped me.

I like to play hockey  
i like to snowboard

and other extreme stuff  
but WOOHOO! i realized  
i wasnt the only girl  
who did stuff like this.

Why'd i have to make things so complicated  
i see the way im actin like somebody else  
gets people frustrated.  
i fall, and i crawl, and i break  
and i take what i get  
and i turned it into. im never gonna  
fake like that no more  
cause this is me fo' real.

Repeat CHORUS til fade out.
