You fooled me
Oh way too many times
You made me believe you were
Actually reliable
You put me
Through s--- and now I'm done
With you
To hell with you!

Oh no, I don't buy you
Oh no, I don't trust you
I don't need you
I'm so complete

All you do is to hell around
Whoa, I'm thinking "What The Hell?"
All I want is to mess around
And I don't care about
If you love me
If you hate me
You can't save me
Baby, baby
All my life I've been good
But now
Whoa, "What The Hell?"

What? What? What? What the hell?

So, you don't like me
I believed you
When you told me
"Avril, you're so special,
And I need you, I'll never leave"
And then you locked me up
And covered me up with your lies
I couldn't breathe anymore
To hell with you!

Oh no, I don't buy you
Oh no, I don't trust you
I don't need you
I'm so complete

All you do is to hell around
Whoa, I'm thinking "What The Hell?"
All I want is to mess around
And I don't care about
If you love me
If you hate me
You can't save me
Baby, baby
All my life I've been good
But now
Whoa, "What The Hell?"

Get your stuff
Make your way right out of here
I'm so done
With this f---ery
Out! Now!

All you do is to hell around
Whoa, I'm thinking "What The Hell?"
All I want is to mess around
Whoa, and I don't care about
If you love me
If you hate me
You can't save me
Baby, baby
All my life I've been good
But now
Whoa, "What The Hell?"

Whoa, whoa, whoa

If you love me
If you hate me
You can't save me
Baby, baby
All my life I've been good
But now
Whoa, "What The Hell?"
