I always needed time on my own  
I never thought I'd need you there when I cry  
And the days feel like years when I'm alone  
And the bed where you lie is made up on your side

When you walk away I count the steps that you take  
Do you see how much I need you right now?

When you're gone  
The pieces of my heart are missing you  
When you're gone  
The face I came to know is missing too

When you're gone  
The words I need to hear to always get me through  
The day and make it ok  
I miss you

I've never felt this way before  
Everything that I do reminds me of you  
And the clothes you left, they lie on the floor  
And they smell just like you, I love the things that you  
do

When you walk away I count the steps that you take  
Do you see how much I need you right now?

When you're gone  
The pieces of my heart are missing you  
And when you're gone  
The face I came to know is missing too

And when you're gone  
The words I need to hear to always get me through  
The day and make it ok  
I miss you

We were made for each other  
Out here forever  
I know we were, yeah

And all I ever wanted was for you to know

Everything I'd do, I'd give my heart and soul  
I can hardly breathe I need to feel you here with me,  
yeah

When you're gone  
The pieces of my heart are missing you  
And when you're gone  
The face I came to know is missing too

And when you're gone  
All the words I need to hear will always get me through  
The day and make it ok  
I miss you
