When you're falling, you're crushing  
When your fire has turn to ashes  
You're screaming, your heart is bleeding  
when you're feeling like there's no reason  
I won't let you go  
No, I won't let you go

It's when you're all alone, and it's cold and there's no  
one to hold

When you feeling lost and there's nowhere, there's  
nowhere to go  
When you're feeling sad, don't forget you can reach  
for my hand  
When you feeling down just remember  
I won't let you go... I won't let you go  
I won't let you go... I won't let you go

When you're torn down, when you're messed up  
Don't you give in...  
No, don't you give up.

When you're drowning, and you're fading

Always know that, I'm always waiting  
And I... I won't let you go..  
No, I won't let you go..

It's when you're all alone, and it's cold and there's no  
one to hold

When you're feeling lost and there's nowhere, there's  
nowhere to go  
When you're feeling sad, don't forget you can reach  
for my hand  
When you feeling down just remember, remember,  
remember....

When I said forever, I know that I meant forever...  
And I won't let you down, I can always be found, and  
I'm always around....

When you're all alone, it's cold, there's no one to hold  
When you're feeling lost and there's nowhere,  
nowhereâ€¦  
When you're feeling sad, don't forget you can reach  
for my hand  
When you're feeling bad just remember...  
I won't let you go... I won't let you goâ€¦  
I won't let you go... I won't let you goâ€¦  
Won't let you goâ€¦
