She's Complicated, problematic  
Got lots to say but always quiet  
She stays at home and says she likes it  
Better when it rains

And the tears roll down your window pane as if  
someone heard you cry  
But I'm not feeling sorry (for you/this time)

But still she suffers from denial  
And acts like sadness is in style  
Someday she might crack a smile  
But only when it rains

And the clouds move in, it's darkening like you did it  
with your mind  
But I'm not feeling sorry (for you/this time)

Miss Miserable  
This drama scene is getting old  
(Miss Miserable)  
And oh you try to hate me so bad

Hey Miss miserable  
Don't hold your breath cause you will choke  
(Miss Miserable)  
And no one really wants to see that

She's wondering why no one likes her,  
Why no one comes to sit beside her  
The black tears run from her eyeliner  
And soak her hands like rain

I've been saving lines like spare change and I'll be  
cashing them in now  
Cause I'm not feeling sorry (for you/somehow/this  
time)

Come on and dry your eyes now, the gallery wont  
sympathize with your  
Cold shoulders, and your ice cold words  
I tried to tell you it's all your fault, c'mon admit that it's

all your fault
