Down at mister moneys, they will pay for acquired loot  
Cameras, vcrs, stereos for cars, to resell for profit to  
boot

Mr. money acts a bit funny, but he will make you a deal  
He don't care about who what or where, as long as he  
Knows your not gonna squeal

Lord, a call for piracy, south park street style

Can you smash a window, waiting in the dark  
Is your hood ornament your jolly roger  
Do you plunder then throw to the sharks

Lord, a call to piracy  
Hey, come and get some booty  
Hey, come and get some booty booty booty booty

Hide your women and children  
Hide your peanuts and beer  
It's take or get taking, it's time to get shaking  
Time to the booty out of here

Lord, a call for piracy

Hey, come and get some booty
