[Verse 1]

From the CO to across the seas  
I'm guaranteed to make everybody bounce wit me  
I been known to rip it down anyplace I be  
You can copy but it's only gon' be one me  
I don't ride no cars, if the man come, remember 14  
I done started up a whole epidemic  
Look, y'all know what I'm talkin' about  
Ever since I hooked up with the homey down south  
TV shows, magazine covers  
Girls in groups say we go wit each other  
Sold out shows, pocket full of cake  
What you know about sellin' tres mil out the gate?  
See, I'm the hottest (hottest) thing around  
Neck full of bling bling like the Neptunes' sound  
I got it locked from the left, right, front, and rear  
When I step up in the spot this is all I hear

[Chorus - Girl]

Lil' Bow Wow, you just don't know  
The way you move so fast across the floor  
I mean you run through my mind like all the time  
To the point that I just wanna take you home

I said Lil' Bow Wow, you just don't know  
The way you move so fast across the floor  
I mean you run through my mind like all the time  
To the point that I just wanna take you home

[repeat 7X]

Represent that - (So So Def)

[Verse 2]

Right now when I'm old, where I'm gonna be  
Have a flow, homey you can bet the house on me  
I'ma forever be up under the scope  
I ain't tryna go out like Todd Bridges of "Different  
Strokes"  
I was born to rock, born to rhyme  
What you lookin' at is something that's before they time  
Like the number 23 in the red and black

Mr. 106 and Park is back, Holla  
I do it like no other  
and attract more family than 'Ringling Brothers'  
I got 'em scattered, covered, smothered like, hash  
browns  
See, I'm the best just ask around  
Yo, I'm here now and ain't nobody takin' mine  
It's a waste of time if you thinkin' you can  
You better off gettin a shirt  
Makin a sign that reads, "SHAD MOSS, I'm your #1 fan"

[Chorus] - repeat 2X
