When you walk through the desert  
Feel the rays of the sun  
She's got you on the move  
When all the damage is done  
The princess of darkness  
Drops down from the sky  
No time to turn  
It's your turn to die  
It does not matter  
She cuts right through steel  
You are not dreaming  
You'll know it's real

[Chorus]:  
Princess  
She's dressed to kill  
Princess  
Firing at will

When you turn the corner  
Guess who is standing there  
The princess of darkness  
You better beware  
Your time has come  
Time to pay your dues  
No time to run  
What are you gonna do  
It does not matter  
She cuts right through steel  
You are not dreaming  
You know it's real

[Chorus]:  
Princess  
She's dressed to kill  
Princess  
Firing at will

When you walk through the desert  
Feel the rays of the sun  
She's got you on the move

When all the damage is done  
The princess of darkness  
Drops down from the sky  
No time to turn  
It's your turn to die  
It does not matter  
She cuts right through steel  
You are not dreaming  
You'll know it's real
