Otis:

You want it, can't have it.  
Baby, you're so ecstatic  
You're laughin', you're askin'  
How much it cost with tax and  
You know you feel hellish  
Your wasted life is selfish  
Your evil transgressions will cost more than them  
possessions

Bonez Dubb:

If you can't find the mind to do right the wise  
In the eyes of a beast, you feast on the lies  
For self-help when everybody needs it, but you  
Even thought you had the whole world times two  
Give it back a little better than your daddy did, bitch  
Go ahead and take a break from tryin' to be rich  
Kinda sad that your dad got you trained real good  
Buried a hatchet in his chest and drag him through the  
hood 'cause

Chorus x2 (Otis):

I find that your selfish mind is a place to hide  
When you know what you are doing is wrong

Otis:

You see him and run cause  
You know where he has come from  
You know that he's here to play repo-man and take you  
Your money and fortune was good within the moment  
But now it's all over  
The moment they have hoped for

Bonez Dubb:

Click sound in my listening range I feel strange  
Money now or you gonna get this gauge up in your face  
Tryna rob me broke, his was Robbie Choke and he was  
hooked on coke  
And had nothin' to smoke  
I spoke out - You don't know me, I have no cheese  
But I got a little somethin' for your greed, you see  
So I whipped out the greens as he went for the grass

I put my double-headed axe in his muthafuckin' ass

Chorus x3 (Otis):

I find that your selfish mind is a place to hide  
When you know what you are doing is wrong

Hook x 6(Otis)

Your soul inside is all but dead and gone!

~Scream~
