He's on the attack Won't turn his back So run like hell You heathens

MotoLyrics

Flies through the air With no one to care So stand up and fight

To search and destroy He won't be coy He's comin' for you You cowards

Climb back in your hole Before he takes your soul Hurry here it comes

Stand up and fight for your soul Don't wait 'til you get too old Stand up and fight Stand up and fight

It's death to the max Feel the attacks So run like hell Up for treason

Move away from death Don't hold your way Comin' your way

World's full of sin Story to begin Move like the wind The four horsemen

Stories been told But we fear the old Stand up and fight Stand up and fight for your soul Don't wait 'til you get too old Stand up and fight Stand up and fight

Stand up and fight for your soul Don't wait 'til you get too old Stand up and fight Stand up and fight

It's death to the max Feel the attacks So run like hell Up for treason

Move away from death Don't hold your way Comin' your way

World's full of sin Story to begin Move like the wind The four horsemen

Stories been told But we fear the old Stand up and fight

Stand up and fight for your soul Don't wait 'til you get too old Stand up and fight Stand up and fight

Stand up and fight Stand up and fight for your soul
