So you made a u-turn at the roundabout  
You didn't even look behind  
Is there something we need to talk about?  
Tell me why you changed your mind?

And I don't know what I said  
But it stuck in your head  
And now I guess you're seeing red  
ha, ha, ha

Now we're drivin' on a different road  
Tell me where you wanna go  
I'd like to know if you gonna kick me out  
Cos baby it takes 2 tu tu to tango

I see the lights turn red  
I shoulda stayed in bed  
Now it's my turn to lose my head  
ha, ha, ha

(Won't you) make another u-turn at the roundabout  
Ouh  
Turn the music down so you can hear me shout  
Ouh

We can make a deal  
But let me take the wheel  
Zigzags in the street  
I'm back in the driver's seat

Cos baby it takes 2 tu tu to tango  
Mamamake another u-turn at the roundabout  
Mamamake another u-turn at the roundabout  
Mamamake another u-turn  
Mamamake another u-turn at the roundabout  
My turn to drive till you kick me out  
My turn to u-turn at the round, roundabout
