[Verse 1]

Are you ready to finally take the  
Trip to leave your past behind now  
You're waiting ticket in your hand  
To move on down the line

[Pre-Chorus 1:]

It's new day the sun  
Is shining bright  
It's a new day, we all ride

[Verse 2:]

Like the lightning come before the  
Thunder its an awesome sound  
You're a free man you don't need  
Someone to come and save you now

[Pre-Chorus:]

You're escaping all that came before  
Now you're ready, ready to ride

[Chorus:]

Midnight, midnight, train out of hell

[Repeat]

[Solo]

[Verse 1]

[Pre-Chorus 2]

[Chorus]
