#### Verse 1

The night is so dark. . .  
I want you with me to have and to hold  
When you walk through my door tonight. . . I want to  
know  
Will I see you in the morning light. . . or will you just  
come and go. . .

#### Verse 2

My friends say I'm crazy. . . messing around  
They say you've been doing. . . town  
While you. . . to know. . .  
Will I see you in the morning light. . . come and go. . .

#### Verse 3

My body is aching. . .  
As the TV watches me. . . drink  
While I'm waiting. . . I'm burning for you. . . know  
Will I see you in the morning light. . . come and go. . .
