BWU (Had To)

I see you cross the street almost every day

Freaked out 'n scared you'd look my wau

All she ever wants is to bwu

Would she if she knew you once made me bwu

Back then I was so young, did not have a clue

What animal war can turn you into

Life's given you a second chance

You look mine away to ever know romance

The day I had to

Bwu

(I had to) bwu

Bwu

(I had to) bwu

Ya number one concern's she could find out

Can't scream it out loud so go ahead, mighty and proud

Are you good to her cause I know what it feels like

When you do the things a girl for sure dislikes

Bwu

When you don't want to

Bwu

But have to

Bwu

Oh I had to

Bwu

You're the first thing on my mind

Then also the worst and the last

You know where I'm to find

Know where I'm to find

When she ain't around

Or when there comes the time

She will not always want to bwu

But has to, cause once you decided to
your ears are deaf

Ain't much she can do

Other then bwu

Bwu

Ih, she'll have to

Bwu

Whether she wants to

Bwu
Cause you'll make her
Bwu
Over and over
Bwu
Like I had to bwu
'N u 'n u 'n u
Now her life ruined too
This constant fear to have you near
Considered as your property
And if it's true there wasn't any before
I swore lyin' there on the floor
That if I ever had to be with any one else after u 'n u 'n
u
That some one would have to be me
