yeea
coming through a cloud of smoke for the 99
summer 2 0 2000
don't wanna be stuck in public housin
hell no on well fare or some shit
fuck that i gotta make my cheese
ya konw its gonna be all good
check it out
ima ima got a black dragon
maybe staight taggin
i'm draggin
the way that i'm saggin
got people angry at me
its all good like that sit back cuz i'm about to drink
some tea
or grab a sobe while you at it
yo my style cause static
its like a fucking army about to attack
i'm on bat i'm about to blast right back and put this shit
on platte
