Baby, oooooohhhh

It seems like I'm going crazy, going out of my mind,  
Won't you let me be down, cause every time I feel  
lonely,

Close my eyes, realize, your love so hard to find

Girl take my hand and just follow, heaven sent, you  
must be,

A guiding angel for me, my chances all that I ask for,  
What you see, is a man, as proud as can be, yeah...

If I can change the world, change the world, for you, I  
would,

My baby, my baby, If I can change the world, change  
the world,

For you, I would, there's nothing I won't do

Now that were finally together, see all things, all took  
place,

The way they, are to be, to me always mean eternally,  
Means that time never ends, we can be more than  
friends, yeah,

I'll take my time, show this world that your mine,

Together through all changes, yeah, give you all that I  
can,

All you see in a man, travel this world, show you places,  
Yeah yeah yeahhh...

If I can change the world, change the world, for you, I  
would,

My baby, (ooohhhh) If I can change the world, change  
the world,

For you, I would, there's nothing I won't do

Can't help but feeling the way I do, girl I'll do it all out of  
love,

You know whatever you, I'll do, girl I'll change the world  
for you,

Yeah...

If I can change the world, (baby)change the world, for  
you, I would,

My baby, baby, If I can change the world, change the  
world,

For you, I would, there's nothing I won't do, If I can  
change the  
world, ah yeah, change the world, for you, I would, ah  
baby, if I  
can change the world, change the world, change the  
world, (change  
the world)for you, I would, there's nothing I won't do

I'll give you all of my heart, I'll give you all of my time,  
give  
everything girl, there's nothing I won't do, I'll give you  
all of my  
heart, I'll give you all of my time, give everything girl,  
there's  
nothing I won't do, If I can change the world, change  
the world,  
There's nothing I won't do, If I can change the world,  
change the  
world, there's nothing I won't do
