For so long I've been walking around  
Try to make a change  
For once in my life  
All the things I've said and the things I've done  
And no apologies are not enough uh uh  
There's been some ups and there's  
Been some downs  
But whenever I was lonely  
You were always around yeah...  
I should have been there for you  
Like a two friendship  
So baby give me one more chance  
I know that I would yeah...

Chorus...

Baby don't walk away {don't walk away stay with me}  
Baby don't take this love from my heart  
Baby don't walk away (don't walk away from) from me  
now  
Cause I love you I need you  
For the rest of my life I do  
I do...I do I do

You've worked so hard now baby  
All day and night  
Try to make a happy home  
For me and your child  
Can't help of feeling this way  
For not seeing you through  
Turning tables around  
And putting pressure on you baby

Chorus...

Baby don't walk away {yeah yeah don't walk away stay  
with me}  
Baby don't take this love from my heart  
Baby don't walk away (don't walk away) from me now  
Cause I love you I need you  
For the rest of my life I do...

Been working thought to make things alright  
I've been working hard to see you sacrifice  
See I've dream for it better  
Got my feet on the ground  
There'll be no stormy weather  
For you and your child...yeah eh yeah...

Chorus...

Baby don't walk away {don't walk away stay with me}  
Baby don't take this love from my heart  
Baby don't walk away (don't walk away)from me now  
Cause I love you I need you  
For the rest of my life  
I do, I do, I do, I do, I do, baby  
For the rest of my life  
I do, I do, I do, oh I do, baby  
For the rest of my life  
I do...
