Remember when, we never needed each other
The best of friends like sister and brother
We understood we'd never be alone

Those days are gone, now I want you so much
The night is long and I need your touch
Don't know what to say
Never meant to feel this way
Don't wanna be alone tonight

Chorus
What can I do to make you mine?
Fallen so hard, so fast this time
What did I say, what did you do?
How did I fall in love with you?

I hear your voice and I start to tremble
Brings back the child that I resemble
I cannot pretend that we can still be friends
Don't wanna be alone tonight

Chorus

Ooh I wanna say this right
And it has to be tonight
Just need you to know
I don't wanna live this life
I don't wanna say goodbye
With you I wanna spend the rest of my life

Chorus

What can I do to make you mine?
Fallen so hard, so fast this time
Everything's changed, we never knew
How did I fall in love with you?
