You said good-bye
Can't even find a reason why
I know that I've been a fool
But I never thought
I'd blame it on you

Cause you are my love
You are the only girl I'm dreamin' of
But I'll say
I'll never let go
Just believe in me
I want you to know
Baby

Chorus

I'll be holding on
I'll be holding on
Forever till you come home
I will be holding on

You know it's true
I'll be waiting here for you
Believe wherever you'll go
There's a place for you and me
And I want you to know
Baby

Chorus

Gonna make it
Gonna show you
That I mean it
From bottom of my heart
From the bottom of my heart
Yeah yeah
Let me tell you
How I see it
Cause I know that
We can make another start
Baby that's right

I will be here for you (holding on)
I'll be holding on (holding on)
I'll be holding on
Forever till you come home
I will be holding on oh yeah

I'll be holding on (I'll be holding on yeah)
I'll be holding on
Forever till you come home
I will be holding on (I will be holding on)
I will be holding on
