"My Everything"

Iâ'd walk a thousand miles for you baby
Swim the deepest sea
Sail around the world for you love
Cause your love was meant for me

Just like a fairy tale
Iâ'll be the one to set you free
Gonna hold you in my arms my love
Making sure youâ're close to me

You are my love, the one
You are my destiny, you are the one
My everything
There are no words
That could ever say how much I feel
You are the one
My everything

Gonna make it last forever
With love, trust and honesty
Hand in hand weâ'll walk into our lives
And fulfill our destiny
Just say the words â"I doâ"
Iâ'm gonna show you this love is true
I swear me heart me soul to thee
So I sang these words for you

You are my love, the one
You are my destiny, you are the one
My everything
There are no words
That could ever say how much I feel
You are the one
My everything

You are the spark of joy in my life
You make everything so right
When Iâ'm with you
Loving you
You turn my grey skies into sunlight
I feel love when I hold you tight
Feel so good, so good

Oh, so, so good

You are my destiny
Don't you know u r my everything?
U r my everything
There r no words for how I feel
Don't you know u r my everything
