Baby, I know you were wrong. But I forgive you. Yeah.

Another day has gone by
still have your picture by my side
I can't forget when you left
When we said goodbye
I know it's hard to carry on
Can I survive?

Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance
this time

Looking back on it now (oohh)
Where we went wrong
I can't figure out
Wish I could turn back the time
and make you mine
Is it too late for us to try
a second time

Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance
this time

I just don't see things the same
Can't get out of the rain
It's clouding my mine (it's clouding my mind)
I'll make it all up to you
Just tell me what I should do
I want you back in my life

Give me one more chance

Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance
Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance
this time

Yeah Ohh. Ohh.

Can we give it just one more chance

Yeah yeah yeah
