Twinkle twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Starlight, starbright, the first star I see tonight
I wish I may, I wish I might
Have the wish I wish tonight

Twinkle twinkle little star
How I wonder what you are
I have so many wishes to make
But most of all, this right I state
For just one girl that I've been dreaming of
I wish that I could have all her love, oh no
I wish I may, I wish I might
Have the dream I dream tonight
Ooh baby

Twinkle twinkle little star
How I wonder what you are
I want a girl who'll be all mine
Who wants to say I'm her guy
Someone sweet, that's for sure
I want to be the guy she's looking for, oh no
I wish I may, I wish I might
Have the girl I wish tonight
Ooh baby

Twinkle twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Starlight(so lonely), starbright(so many wishes on)
The first star I see tonight, oh no
I wish I may, I wish I might
Have the wish I wish tonight
