My life is brilliant
My love is pure
I saw an angle
Of this Iâ'm sure
Forever
Young
I want to be
Forever young
I won't hesitate
No more no more
This cannot wait
Iâ'm yours
This is the way you left me
Iâ'm not pretending
No hope no love no glory
No happy ending
Cause you were amazing
And we did amazing thing
If I could
Then I would
Iâ'll go wherever go
Don't let a day go by
And can
You feel
The love
Tonight
And she will be loved
Yes she will be loved
Pictures of you
Pictures of me
Hung up on your wall
For the world to see
Please don't leave me
And I want a TV embrace
Cause I can't live
With or without you
When ever I fall
At your feet
You let your tears...
Am I not pretty enough
Is my heart to broken....

(Spoken): Double time,
(Spoken): Double time,
When I find myself
In times of trouble
Mother Mary Comes
To me
Sometimes I feel like
I don't have a
Partner
Is that the way its gonna
Be little darling
We'll go riding on the horses
Yeah, Yeah
No woman no cry
Mama surely was a dream
I come from a land down under
Once a jolly swagmen camped by a billabong
Thinking you true blue the funny things you do
Australia, Australia this is you
They say Taylor was a good girl, never one to be late
complain, express ideas in her brain.
Making love like I never made love before
I'm gonna make love to your baby
Take on me (take on me)
Take me on (take on me)
Ill be gone in a day or two

Save tonight
Gonna take a lot to drag me away from you
Find the break of dawn
There's nothing that hundred men or more could ever
do
I know she's playing with me
But that's ok because I have no self esteem
With a thousand eyes and a good disguise
You look me right between the eyes
Right between the eyes
Because it's too late to apologize
It's too late
Stacks on deck
Patrone on ice
We can pop bottles baby you can have what ever you
like
Said you can have what ever you like
Yeah I'm not here for your entertainment
You don't really wanna mess with me tonight
Cant read my cant read my
Poker face
Come on Barbie lets go party
Lost and insecure you found me
You found me

Lying on the floor surrounded
Surrounded
She wants to kiss me oh-oh
She wants to touch me wo-hoo
She wants to love me Wo-hoo
She will never leave me wo -hoo
Wo-ho oh oh
Enjoy your self take everything you need from him
Take you canvass bags
Take you canvass bags
Take you canvass bags to the supermarket
Take you canvass bags
I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor
Illusion never changed
Into something real
I'm wide awake
And I can see
Iâ'm more than a bird
Iâ'm more than a plane
Iâ'm a bird-plane,
A mother fucking bird-plane
And doesn't that sound familiar?
Doesn't that hit too close to home?
Doesn't that make you shiver; the way things could've
gone?
And doesn't it feel peculiar that everyone wants a little
more.
So that I do remember to never go that far,
Thatâ's all it takes to be a star
