Life isn't always easy  
It isn't always fun  
When you lose direction  
Your world can come undone  
When you're in need of guidance  
And help is over due  
You might ask yourself this question  
What Would Jesus Do?

If you were at a party  
And the host ran out of wine  
He'd make some more with magic  
And bring on back good times  
But in this situation  
You couldn't see it trough  
He's the son of God  
And he shits all over you

You can't do what Jesus can do  
You're the King of Nothing, an he's the King of jews  
He knows every magic trick, you only know a few  
Don't even bother asking  
What Would Jesus Do?

Can you heal a leprad?  
Or feed the crowd with fish and bread?  
Can you walk on water?  
Did you rise from the dead?  
And did you give your life up  
To save humans from bad luck?  
Were you born on virgin birth,  
Or did your parents... have sex?

You can't do what Jesus can do  
He had twelve apostles and no one folows you  
When facing a dilemma  
Let logic guide you through  
What kind of dick-head wonders  
What Would Jesus Do?

When Jesus was betrayed  
And wrapped up all his trust

He used His laser vision  
And turned judas into dust  
When Lois Lane was dying  
Jesus held her in His arms  
He flew backwards 'round the world  
To keep her safe from harm  
When Jesus tours the country  
In His Rock n' Roll band Kiss  
A thousands cheer his music  
Even though it's hit the miss

You can't do what Jesus can do  
(Jesus shits all over you )  
There are three of Him, and there's only one of you  
(And Jesus can fly )  
He can cure a blind man, you can't cure the flu  
He's a zombie wizard who also knows kung-fu

So next time you're in trouble  
Thinking What Would Jesus do  
Try not to forget  
He's a million, billion, trillion times  
Better than you

God gave Rock n' Roll to you,  
Gave Rock n' Roll to you,  
Gave Rock n' Roll to everyone,  
God gave Rock n' Roll to you,  
Gave Rock n' Roll to you,  
Put it in the soul of everyone.
