I'm on the other side
Waiting and praying
Can't seem to justify
The things you keep saying
Can't seem to understand
The way that you hate

But it's okay to say
That you don't feel that way, yeah
But stop lying and trying
To prove yourself to me
'Cause I don't care

I'm leaving this behind
In my six-fold solitude
I'm drowning on the inside, say goodbye
To what you thought you knew, yeah

I'm here to testify
For those who've been broken
Live not a way to die
Let dreams be awoken
Take it from one who's been
A martyr left alone

But it's ok to say
That you don't feel that way
But stop lying and trying
To grovel at my feet
Oh do you dare? yeah, yeah

I'm leaving this behind
In my six-fold solitude
I'm drowning on the inside, say goodbye
To what you thought you knew, yeah

I'm leaving this behind
In my six-fold solitude, oh, yeah,
I'm drowning on the inside, say goodbye
To what you thought you knew, yeah
I'm leaving this behind
I'm drowning on the inside, say goodbye

To what you thought you knew, yeah
