I'm feeling blind
Like the suns in my eyes
There's something you need to know
I'm wasting time
Fall behind, in my mind
Cause I'm fighting in a losing war
Tidy little fault lines
Cracking inside my soul
Soul, soul

You can't look me in the eyes
And I don't do surprises
I got nothing at all
If you catch me I fall

Signs, neon lights
Like a thief in the night
Who was welcome with an open door
I'm serving time,
By myself, for a crime,
There's a reason I can't ignore
Holding everything that
I was ever looking for
For, for

You can't look me in the eyes
And I don't do surprises
I got nothing at all
If you catch me I fall

You can't look me in the eyes
And I don't do surprises
I got nothing at all
If you catch me I fall

Look inside me, seems that I've been,
Don't forget to pay your bill now,
Dudes is new who's forming?
Call my friends and
Tell them there's a party
The sun is coming up,
My heart is falling out

And I am blinded,
No one has the ace of spades,
But if you play the game
You'll find it,
I'm running and touching, sinking,
Thinking, hoping for another
We need to drink and vibe,
And try not to hold back each other

You can't look me in the eyes
And I don't do surprises
I got nothing at all
If you catch me I fall

You can't look me the eyes
(Don't trust me)
And I don't do surprises
(don't' trust me)
I got nothing at all
(don't' trust me)
If you catch me I fall
(don't' trust me)
(Trust me)
