Kawaita kokoro de kakenukeru  
Gomen ne nani mo dekinakute  
Itami wo wakachiau koto sae  
Anata wa yurushite kurenai

ÃžI run past others with a parched heart.  
Sorry, I can't do anything.  
You won't even let me  
Share our pain together.

Muku ni ikiru tame ni furimukazu  
Senaka mukete sateshimau  
On the lonely rail

To live on without tarnish,  
I face your back and head out without looking back  
On the lonely rail

Watashi tsuiteiku yo  
Donna tsurai sekai no yami no naka de sae  
Kitto anata wa kagayaite  
Koeru mirai no hate  
Yowasa yue ni tamashii kowasarenu you ni  
My way kasanaru yo  
Ima futari ni God bless...

I will follow you.  
No matter how agonizing the world is,  
You will shine even in it's darkest corners.  
Cross over the end of the future,  
My weakness will not shatter my spirit.  
My way is overlapping with yours.  
For the two of us, God bless...

Todokete atsuku naru omoi wa  
Genjitsu tokashite samayou  
Aitai kimochi ni riyuu wa nai  
Anata e afuredasu Lovin' you

This warming affection that reaches me,  
It melts my reality and roams my heart.  
I don't need a reason for wanting to meet you,

Just my overflowing feelings, Lovin' you

Semete utsukushii yume dake wo  
Egakinagara oikakeyou  
For your lonely heart

For now, let's paint a beautiful dream  
And chase after  
For your lonely heart

Yamete uso wa anata rashikunai yo  
Me wo mite kore kara no koto wo hanasou  
Watashi kakugo shiteru  
Kurai mirai datte  
Tsuyoku natte unmei kaerareru kamo ne  
My wish kanaetai noni  
Subete wa God knows...

Stop it, it's not like you to lie.  
Look at my eyes and let's talk about our future.  
I am prepared,  
Even if the future is bleak,  
I might be able to change destiny if I become stronger.  
But for my wish to come true,  
Everything is God knows...

Anata ga ite watashi ga ite  
Hoka no hito wa kieteshimatta  
Awai yume no utsukushisa wo egakinagara  
Kizuato nazoru

You are here, I am here.  
Everyone else has disappeared.  
While we paint the beauty of this fleeting dream,  
We trace out the lines of our scars.

Dakara watashi tsuiteiku yo  
Donna tsurai sekai no yami no naka de sae  
Kitto anata wa kagayaite  
Koeru mirai no hate  
Yowasa yue ni tamashii kowasarenu you ni  
My way kasanaru yo  
Ima futari ni God bless...

That's why I will follow you.  
No matter how agonizing the world is,  
You will shine even in it's darkest corners.  
Cross over the end of the future,  
My weakness will not shatter my spirit.  
My way is overlapping with yours.  
For the two of us, God bless...
