What are you gonna do about this mad situation?  
Feelings I can't control all hit back at me together.  
The hopele is the reality that can't be hidden.  
You'll just No!

\*No matter you won't crying won't change anything.  
I can't ese I don't wanna escape.  
It's like a Yeah!

\*\*I know I know I know...  
I know I need you know.  
Unknown Unknown Unknown...  
I call meet you tonight.

Made to A. even for things I'm not even conscious of.  
When I can I'm shouted at for being "irreponsible".  
You say you're angry for my own good.  
When I can't understand you act like I'm a fool.  
Should I really forgive?

It's not as if this is all I know.  
I'm scared to lose this fortunate time.  
How much will you be involved in my life?  
I can't think about it.

You know you know you know...  
That I will never betray.  
Unknown Unknown Unknown...  
Maybe I can't good-bye.

I'm gonna lose my mind.  
I'm fallin' love with you.

\*Repeat \*\*Repeat

I know I know I know...  
Unknown Unknown Unknown...  
I know I know I know...  
Unknown Unknown Unknown...
