Mr. AZN and Mrs. AZN
please listen to these sentences so you can learn the
differences
between an Asian and an AZN
an image you be livin' so please give in for a minute.

I need to take a vacation
from fake asians
escape to the ancient land and learn some patience
to make a plan against a made up land
enter secret asain man
the solution not alone the distribution of the message
be spread
on a phone or by word
so long as the word is heard
so hear these blazing rhymes
about these days and times
and be sure to please rewind
so that every syllable
is rendered feelable
buckle your seat belt
because your about to enter the vehicle
of subconscious rage as a youth mainly
brought by these or rescouces
on the playground to them we were all chinese
slant eyes and ching chong
people i know your hearing this
so we murdered our sterotype of conservative nerdy
kids
by furthering our minds into delusions
and help this new sterotype
into reaching completion
