Atlantis the world unity,
Everybody wants to be free,
To live in harmony.

Atlantis the world unity,
Everybody wants to be free,
To live in harmony.

Atlantis, you are the only one,
Always trying to carry on,
And fly into the sun.

Atlantis the world unity,
Everybody wants to be free,
To live in harmony.
Atlantis, Atlantis... (x16)

Atlantis, the world unity,
Everybody wants to be free,
To live in harmony.

Atlantis, you are the only one,
Always trying to carry on,
And fly into the sun.

Atlantis, the world unity,
Everybody wants to be free,
To live in harmony.

Atlantis, you are the only one,
Always trying to carry on,
And fly into the sun.
