You fight the sunday crawling  
and you turn raindrops to sunlight,  
but secretly I ask myself am I just dreaming?  
I never want to get awake

I still dream, the sun is coming out  
I still dream, the sun is coming out  
I still dream, the sun is coming out  
I still dream, the sun is coming out

I still dream, the sun is coming out  
I still dream, the sun is coming out

I hear the raindrops falling, can you turn them into  
sunlight?  
I close my eyes and see myself daydreaming  
I never want to get awake

...(Sun is coming out)

I still dream, the sun is coming out  
I still dream, the sun is coming out  
I still dream, the sun is coming out  
I still dream, the sun is coming out
