Do you remember the time we met
The rose of love had bloomed and yet
We decided to take out time, and take it slow, oh no
The harder we tried the harder it seemed to be
But we never had a problem we can't beat
You are mine, I am yours forever more
Couldn't love you more

I'm one step closer to giving you my heart, my love
It's got to be all or nothing, giving everything I got
It's a crazy love, I can't get enough
It's what I'm always dreaming of
I'm falling, I'm falling... falling Into You

You are my love, my best friend
My heart can't close until you're in
When it rains outside, I feel the sun in me, my baby
Don't need no drug to get me through,
Your love is all, I'm addicted to you
When there's mess, and I'm stressed, I confess
When I'm feeling down, you bring me

One step closer to giving you my heart, my love
It's got to be all or nothing, giving everything I got
It's a crazy love, I can't get enough
It's what I'm always dreaming of
I'm falling, I'm falling... falling Into You

Never thought I'd be the one to fall for for you
I know this love is true, and I can't be without you
You are my love, my best friend, I'm so addicted
I just can't take this
Oh my heart skips a beat every time that I'm near you
Now I know, I know... that...

I'm one step closer to giving you my heart, my love
It's got to be all or nothing, giving everything I got
It's a crazy love, I can't get enough
It's what I'm always dreaming of
I'm falling, I'm falling... Falling Into You

It's a crazy love, I can't get enough, I falling, I'm falling,

falling Into you
I'm falling, I'm falling, I'm falling
