I'm so happy, I'm so happy
I'm so happy, I'm so happy yeah

We're sitting holding hands
And your pure white scent
And he turns my head around
He pulled me up near
And he whispered in my ear
Said he'd turn me upside down

I feel it
I hear it
I know it
You show it
My head's in the sky
I'm flying with emotions baby
I wanna dance
I'm gonna shout

I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah
I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah

Through the next five years
You know my life switched gears
When you asked me to be yours
Got down on one knee
It was such a fantasy
I never felt that way before

You love me
I love you
I wanted
To show you
How much I cared
A lifetime that we'll be together
Together forever

I'm so happy, I'm so happy

I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah
I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah

One day I turned around and my heart stood still
Can you be my valentine I know I will
A box full of hearts and a homemade smile
You must treat her like me this boy's got style
It's you it's me sitting in that tree
K-I-S-S-I-N-G
First comes love then along comes marriage
That's all I ever wanted

I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah
I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah

I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah
I'm so happy, I'm so happy
I wanna sing it out 'cause I know you're with me
I'm so happy, I'm so happy yeah
