It's Wildlife all day everyday  
Check the resumÃ©  
From NYC  
Reppin the 5 burroughs  
Check my style ( ? ) (mister)  
Won't change my attitude  
Wherever I touch down be homebase for Mush  
Nigga  
Every two years I pull out the lot with a brand new whip  
like what  
Say somethin now, stupid  
Think of violatin me?  
(You gotta deal with my GD niggas)  
Yeah, hop on the walkie  
Notify my mans that it's about to get so for real  
Dog, your looks don't kill  
You wanna eat my food, my plate's right here  
(Eat it up, nigga)  
Yeah, justify your means with the ends  
But make sure I'm never comin back  
How 'bout that  
Mush  
I  
Must I show you properly how thee should die?  
Huh?  
Drastic measures  
(Yo, that's my pleasure)  
My mindstate's with whatever that's fittin the mood  
Here's a warnin for y'all  
I  
Yeah  
What's that?  
Huh?  
What?  
Calm yourself  
Don't get beside yourself  
Who?  
They not ready  
Cut the nonsense  
Dead that  
Must I show you properly

Yeah, I said that  
Wound you receive, I bled that  
Like the seven and a half moon crescent I'm exact  
Actual fact, right and exact  
Dr. Know  
Yeah  
Mush  
To floss or not to floss is the question  
Hehe  
By any means  
Me and my mans gon' shine  
Burn bright till the lights go dim  
Aiyo, ask me again  
Better yet, I'ma tell it just so ya understand, hops  
Watch, plot  
Get the larceny out your heart  
Cause what you start I'ma finsih with a .44  
Dispose of the shells in the sewer  
As I maneouvre the 4.6 cross town  
All black  
(Wheels chrome)  
Windows tinted  
Shit look pretty in the night time  
Baseball cap low, low profile move  
(Fuck out the way) when I come through  
Raise up  
It's my way or the highway  
Slip somethin in your drink to make your pupils dilate  
Here's a warnin for y'all  
I  
Yeah  
What's that?  
Huh?  
What?  
Calm yourself  
Don't get beside yourself  
Who?  
They not ready  
Cut the nonsense  
Dead that  
Yo, your paper's no match for mines  
(Tally up mufuckas)  
Whether corrupt or legal  
My sinister mindstate be like Dr. No  
How would you know  
The IQ's above the norm of the average thug, y'all  
(I'm bigger than drugs, nigga)  
I be quick to sacrifice my wife and kids  
Like the devil himself  
(Sosa)  
No lie

O keep the learjet on standby  
Stocked up with nuff licks and nuff lye  
Damn if you do  
(Come test Sir Fly, I)  
Can't even imagine that in my mind's eye  
100% deep inside your area  
Wherever I go I roll  
Protected like the pope minus the hat and the cloth  
(Don't)  
Just leave it alone  
Fuckin with us is suicide  
(W)-i-(I)-d-life  
We ride on  
Here's a warnin for y'all  
I  
Yeah  
What's that?  
Huh?  
What?  
Calm yourself  
Don't get beside yourself  
Who?  
They not ready  
Cut the nonsense  
Dead that  
Must I show you properly  
Yeah, I said that  
Wound you receive, I bled that  
Like the seven and a half moon crescent I'm exact  
Actual fact, right and exact
