As the crow flies, baby
Well, I ain't so far from you
Whoa, as the crow flies, baby
Well, I ain't so far from you
Whoa, since I don't have wings
I can't get home as fast as I want to

Well, in a dream last night
Well, I heard you call my name
Well now, the dream last night
Well, I heard you call my name
Oh and I took it as an omen
You know I jumped on a very fast freight train

Well, you don't know, baby
How I miss your sweet caress
Well, you don't know, baby
How I miss your sweet caress
Oh well, when I'm in your loving arms, baby
You know that's how I'm at my very best
Oh yeah, oh yeah

Well, as a crow flies, baby
Well, that's how I'm on my way
Well, as a crow flies, baby
Well, that's how I'm on my way
Well, if I don't stop running
I gotta keep running
I'll be hoping for the break of day

Well, if I don't stop running
I gotta keep running
I'll be hoping for the break of day
Break of day
